Program Descriptions

Let's Play! - Join us as we come together to learn and grow through the powers of play! Open to ages newborn to 6 years, this beloved program combines a variety of learning experiences that are sure to engage all the senses through free-play, circle time and more! Together, families will have the chance to connect with EarlyON Educators, build friendships with fellow families and link to resources in the communities. This program also looks to take advantage of the summer weather. Please expect that Educators will be making use of both the indoor & outdoor play environment during our time together. This flexibility in space allows us to follow the families leads by sharing in the natural curiosities of the day! Please be sure to prepare to spend time indoors & outdoors.

Baby & Me- Available for ages newborn to 12 months. It is never too early to introduce your child to the wonderful world of free-play, circle time and new little friends! See your baby blossom and grow as you sing, play and learn together. Enjoy the chance to meet other parents and connect with EarlyON Educators on a weekly basis!

Toddler Time: Open to ages 12 to 30 months. Toddlers are curious about the world. This is a program designed just for them! Enjoy a variety of experiences led by the children's interests that will encourage them to see, touch and explore all that is around them. With your child's development in mind our educators will create opportunities for children to learn more about their ideas and their environment. So come enjoy group play, circle time and learning experiences galore!

Happy Hikers - Join us for fresh air fun in all kinds of weather! Open to all ages (0-6yrs) but best suited for ages 2+. Let's meet to play outside together, share nature-inspired songs and stories, and take a short nature walk on the trails. You and your little ones are sure to feel inspired by all that nature has to offer. Please note that paths and trails may be difficult for strollers in muddy conditions. PLEASE NOTE: This program is only available July 5th, 7th, 12th and 14th.

Let's Stroll! - Newborn to 3 years. Hey parents! Time to hit the pavement and get our bodies moving, while the kids enjoy a ride in the stroller or wagon. We will go for a group walk in the lovely neighborhood surrounding our QEP EarlyON location. This is a great way to get some exercise and fresh air, connect with families, and make new friends. We will meet in our Yolanda Drive Parking Lot. Your safety is our top priority! We will keep a

close watch on weather conditions and the environment to ensure outdoor conditions are safe. Please expect an email by 9 am should programs need to be changed, and we will meet in an online forum for a check-in

Parent Walk & Talk - Newborn to 18 months. Becoming a parent means there are both joys and stressors added to your life. At EarlyON we know it takes a village to raise a child and things like a community of support and physical activity can go a long way to manage these new pressures in a healthy way! This walk & talk program is led by our very own OPCC Family Services Coordinator Kristine, where we will spend time connecting with other parents, enjoying the fresh air in our community, and getting our bodies moving on a neighborhood walk. Parents are encouraged to bring any questions, comments, or concerns you may be facing that day, this is a safe space to share and brainstorm strategies together! **PLEASE NOTE: This program is only available July 13th and 27th, 2022**

Read. Move. Play! Generously hosted by the Glen Oaks Community this EarlyON Drop-In program is designed with every child's interests in mind! Open to children newborn to 6 years old, get ready to read, move and play! Start your day off right and join us in a cozy, calm space where grownups and their little ones can connect over books and a shared story time! Later, the second half of our time together we'll move naturally towards getting all those silly's out. Join us as we head outside to enjoy the fresh air, sunshine and encourage big body movements like running, climbing, exploring and more! We can't wait to see you there!

Nature Explorers Club - Join us as we keep the fun going outside! Available to ages newborn to 6 years, enjoy being one with nature as we look to make the most of all Mother Nature has to offer and more! Join us for weekly adventures in nature's classroom, where we will take our time, observe, explore, and learn about the world, ourselves, and each other. As we head outside, please be mindful to ensure everyone is dressed appropriately for the weather! Please note, program is scheduled to run for an hour and fifteen minutes, but it is important you follow your own comfort level. You are always welcome to come and go as you and your child need. **PLEASE NOTE: This program will be CLOSED on Friday July 29, 2022.**

Weekend Wonders For children newborn to 6 years. Weekends are times to let loose, explore and try something new. Join us for a Saturday morning program where the focus is on family connection, slowing down and taking time to enjoy time spent together. Our well-equipped playrooms and amazing educators will help to ensure you have what you need to learn and grow together.
