

Message to Parents: Centre Closure *Saturday March 14th to Sunday April 5th*

Dear families of OPCC,

It's been a very long day with many meetings and new information arriving by the hour with regards to COVID19. I would like to let you know that at this time, we feel it is in the best interest of our families, children and staff to suspend all programs and services re-opening April 6th 2020.

We hope this facility closure will ensure that we all can return happy, healthy and confident that our environment will remain a safe place for our families and friends to gather and enjoy one another.

Those registered in our fee based programs will be refunded and we are working on new schedules in light of the closure for our spring programs. Our administrative offices will be closed but we will be checking email and phone messages during our closure.

We will miss you, and wish your family a safe and restful break.
