

Double Your Donation, Double The Impact.

Did you know that your employer might help you **DOUBLE your donation to Oakville Parent-Child Centre?**

Many companies understand the value in supporting their employees by matching their donations or by providing grants for registered Canadian charities like Oakville Parent-Child Centre.

How does it work?

1. You make a donation to Oakville Parent-Child Centre over \$25.00 (in order to receive a tax receipt)
2. You request a matching gift from your employer. Contact your HR department, they will provide you with a paper or electronic form which you fill out and submit to them.
3. Your employer will require us to verify the donation. (we will be very happy to 😊)
4. Your company matches the gift - ***It's that easy!***

Below is a list of companies with Employee Matching Gift Programs and a list of companies with Volunteer Grant Programs. This is not an exhaustive list. Check with your company's human resource department if you don't see their name on the list below.
