

# Drop-in Chatter 2017

## Oakville Parent-Child Centre

When you visit our drop-in programs we ask that you follow these guidelines:

- Sign in on our attendance sheet each week - **WE REQUIRE THIS!**
- If it's your first visit, you are required to create an account on our tablet.
- For drop-in programs newborn to age 5: If your child has turned 6 and is still in Kindergarten, they can continue to drop in until the end of August.
- Keep a watchful eye on your children at all times.
- For programs for older children, a baby up until the age of 6 months can accompany you to the program as long as they are in a carrier attached to you.
- Introduce your children to different centres in the room and participate with him or her. **Please avoid using laptops, or cell phones or reading newspapers.** This program is an opportunity for you to interact with your child.
- Join the circle with your child during the program.
- Encourage your children to tidy up and then the toys will be less likely to be damaged or broken.
- Have your child eat all food and/or drinks in our designated areas.
- Leave your coffee cups on the counters. This will keep them out of children's reach and help prevent spills on our carpets!
